47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition. It is the only fair way to keep prices low. If you take away the ability of Sonic to compete against att and comcast then the price of my internet will double in price. Don't let this happen take action FCC you have the power too keep the free market alive. In this day and age comcast loves to under deliver with their promised speed and over charge.
